

English language learning  
in the right direction

## AE Academic Year Students Will Achieve:

- **Confidence** in the social and professional environment
- **Fluency & accuracy** in all forms of communication
- **Credibility** from an increased vocabulary
- **Competence** in active listening, speaking, reading and writing skills
- **A clear understanding** of idioms and colloquialisms
- **Distinct advantages** for international opportunities

## Your English Pathway

Progress depends on the level from which you start, your attendance and enthusiasm. The more exposure you have to English, the quicker you can progress. You improve much faster when you study in an English speaking country.
